

HOW YOUR FINANCIAL DONATION TO PALS IS USED

As a 501 (C) (3) not for profit support group PALS officers strive to provide a forum and supportive environment for parents, caregivers and educators at the lowest possible expense. No part of the net earning of PALS inure to the benefit of, or are distributable to its members, trustees, officers, or other private persons, except to pay reasonable compensation for services rendered, to make payments, and distributions to further the purpose of PALS.

PALS currently hosts informative meetings at least eight times a year. We host these meetings at venues that either donate the space for free or have a nominal fee. During those meetings we provide copies of articles, meeting flyers, and other materials participants find helpful. We also host a useful website, providing our meeting minutes, valuable articles, and information regarding local and national resources.

It has been a longtime dream of PALS officer Sarah Nickel to develop a PALS Student Scholarship Fund. This year our officers will be working toward developing a plan that will make Sarah's dream come true and your financial contribution can help. As the PALS Student Scholarship Fund comes together a page of the PALS website will be dedicated to it.
